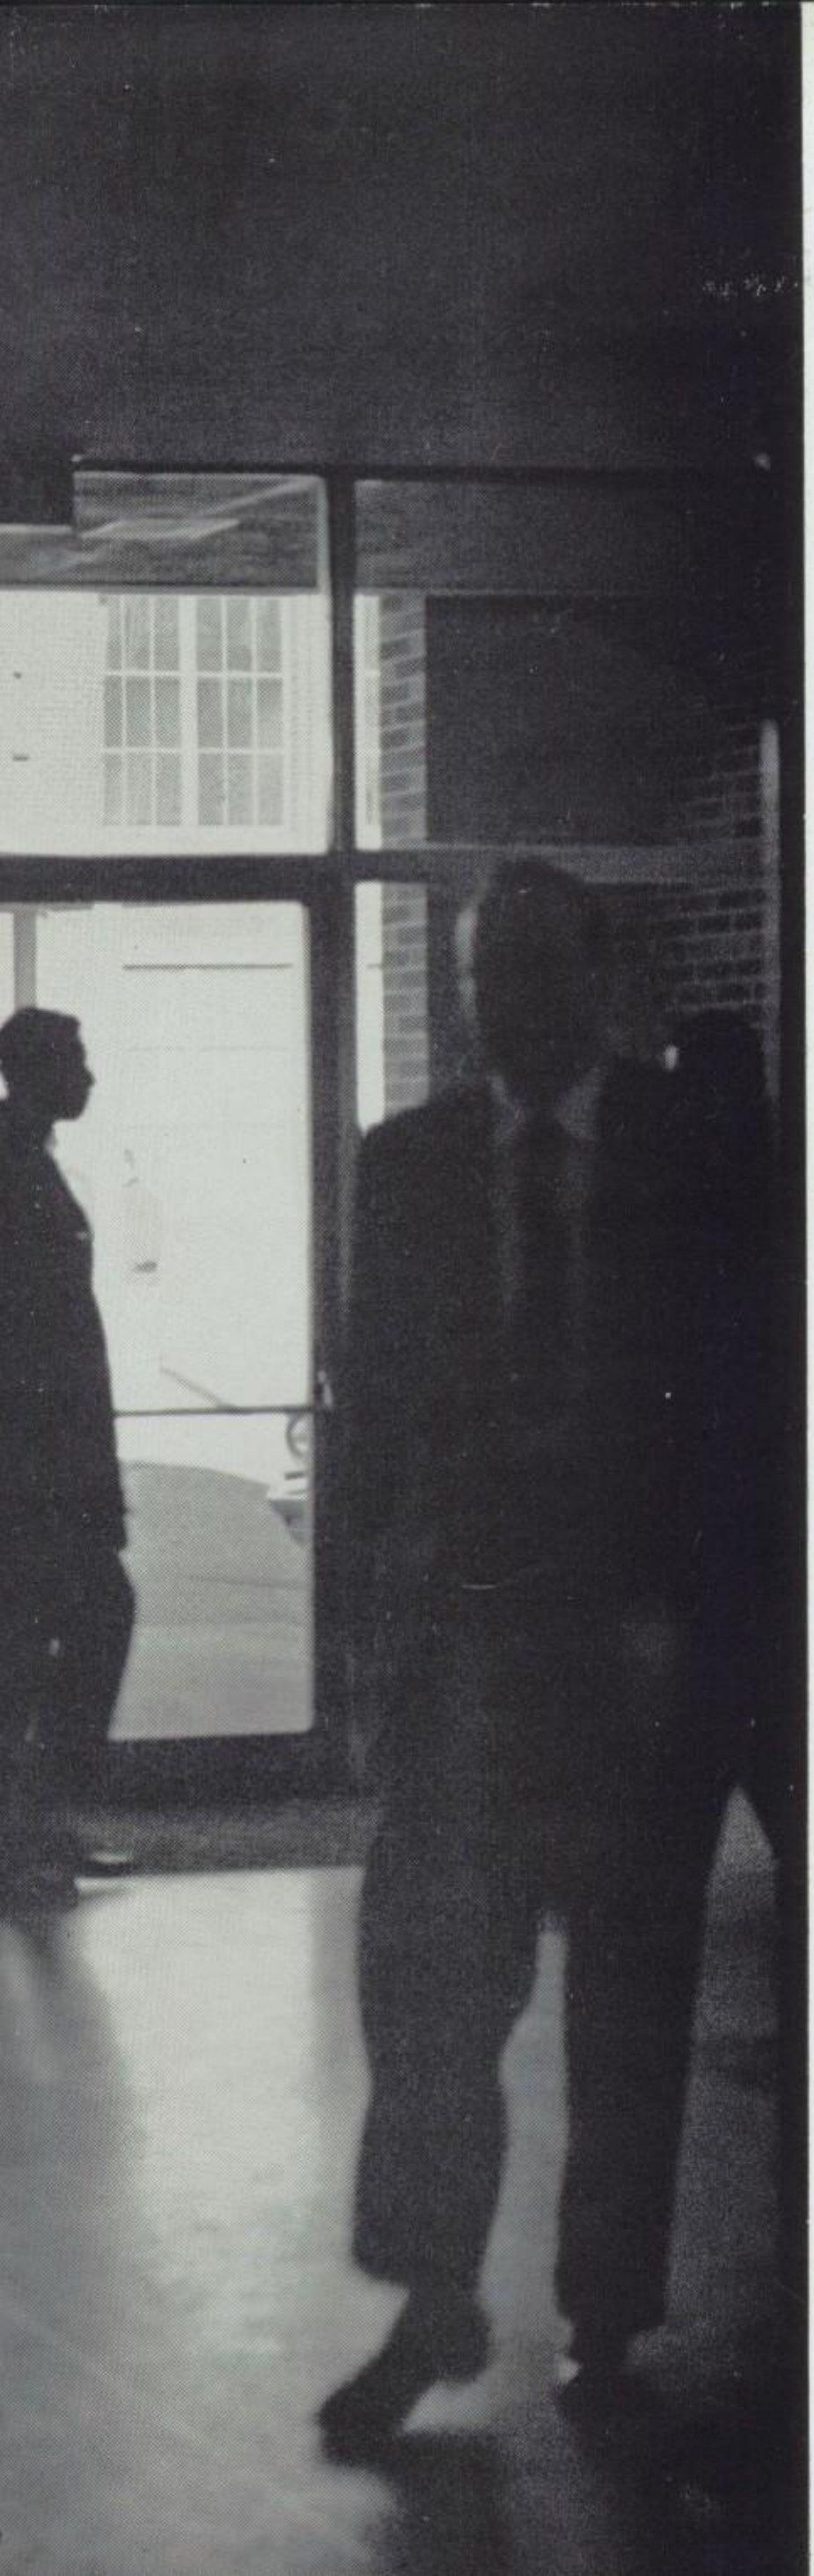
MODERIAN

1959

Ed. Welker

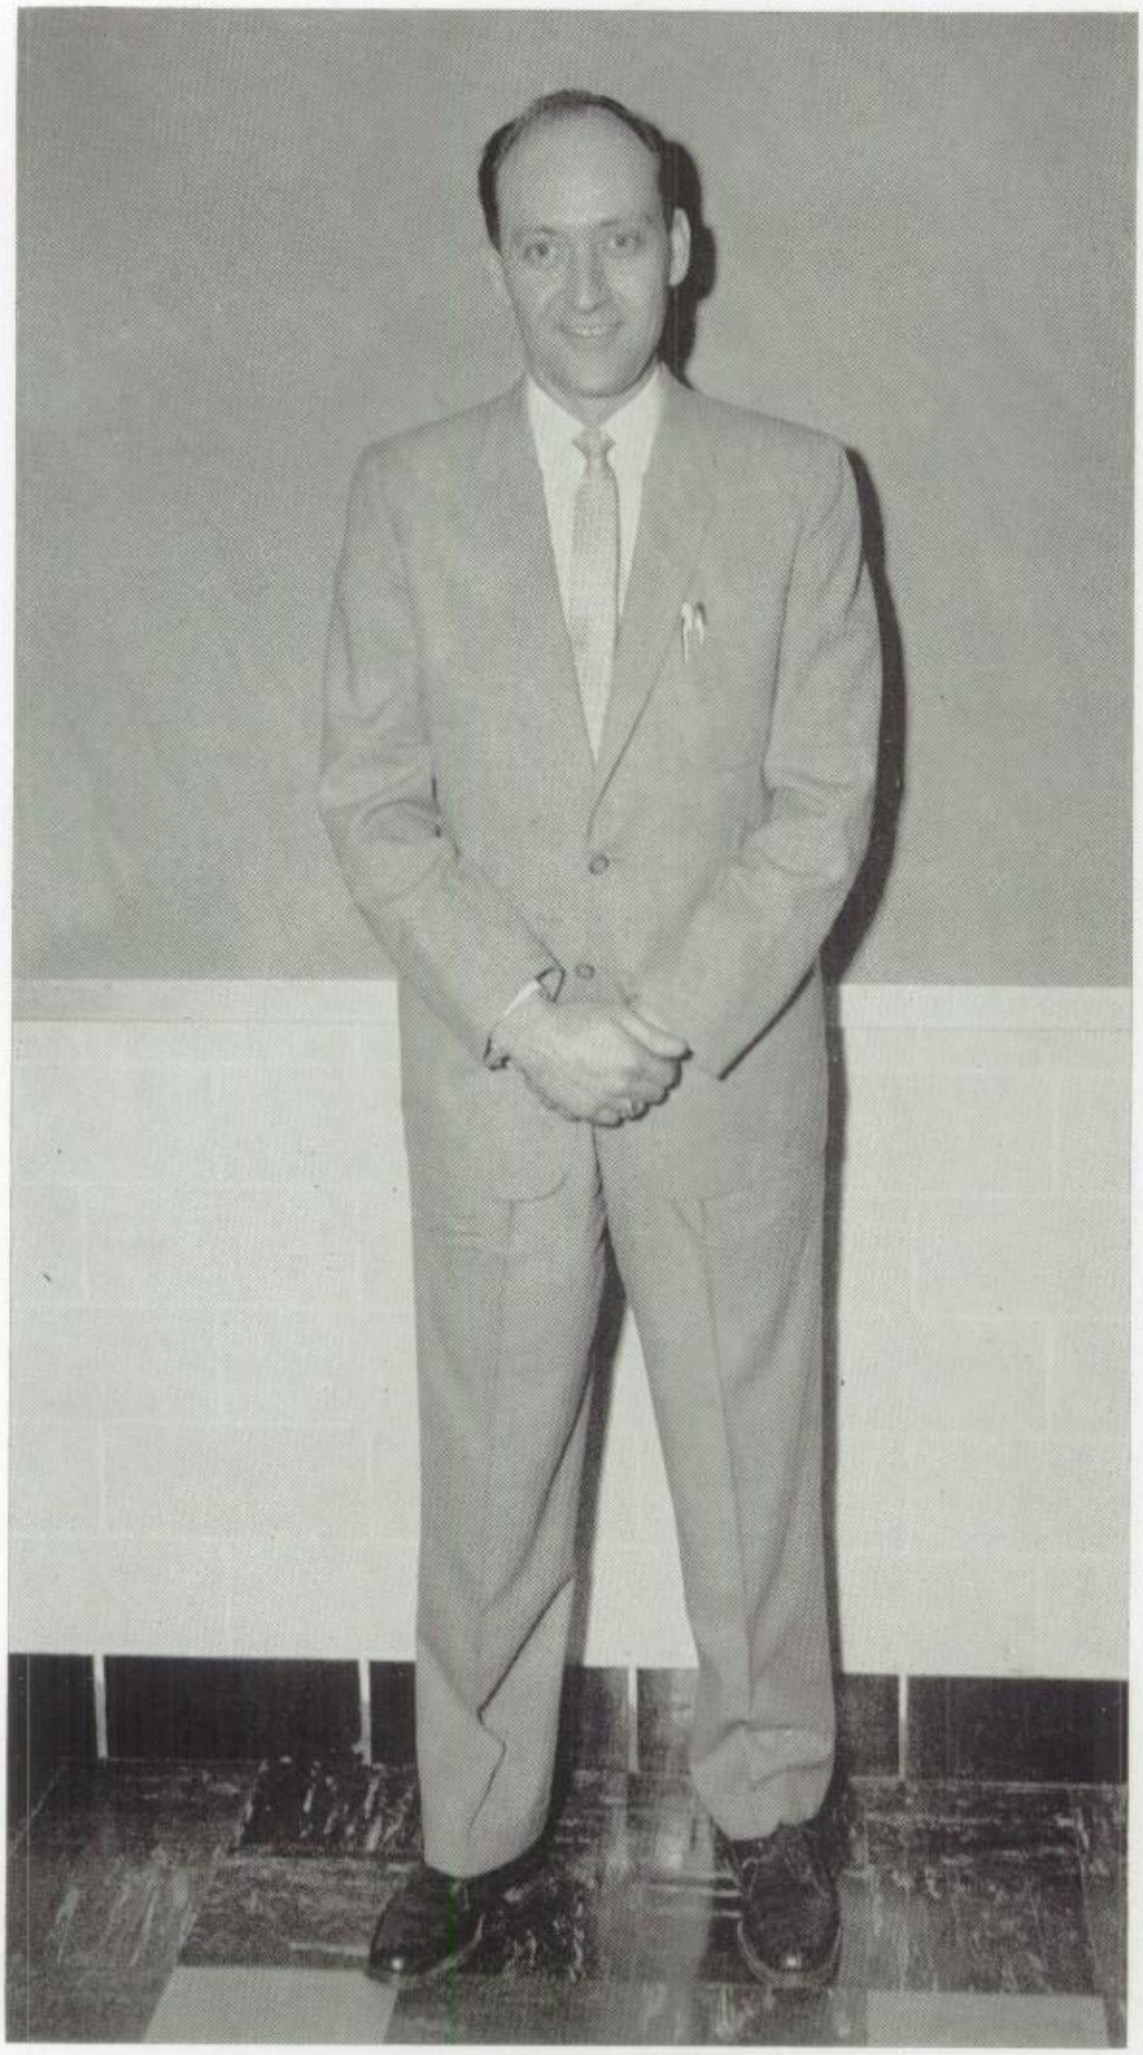
Beyond this door many long hours were spent by the annual staff planning and perfecting this annual.

To vividly portray the year's events, we have chosen as our theme **DOORS**—doors which open to us as Freshmen - doors that swing to and fro on the wonderment, joys, pranks, frustrations, and diligent endeavors of some eight hundred individuals - doors which echo fond memories as they close behind us as graduating Seniors.



The 1959 Moderian

With the opening of the main lobby doors each morning, the day's crowded schedule of activities and routines begins anew. Students pour in from bulging school buses; lunch tickets are purchased; lockers are hurriedly opened; the school administrator makes his last minute checkups —another day has begun. Thus as you turn the pages of the 1959 "Moderian," we open for you the doors of Canton South . . . . .

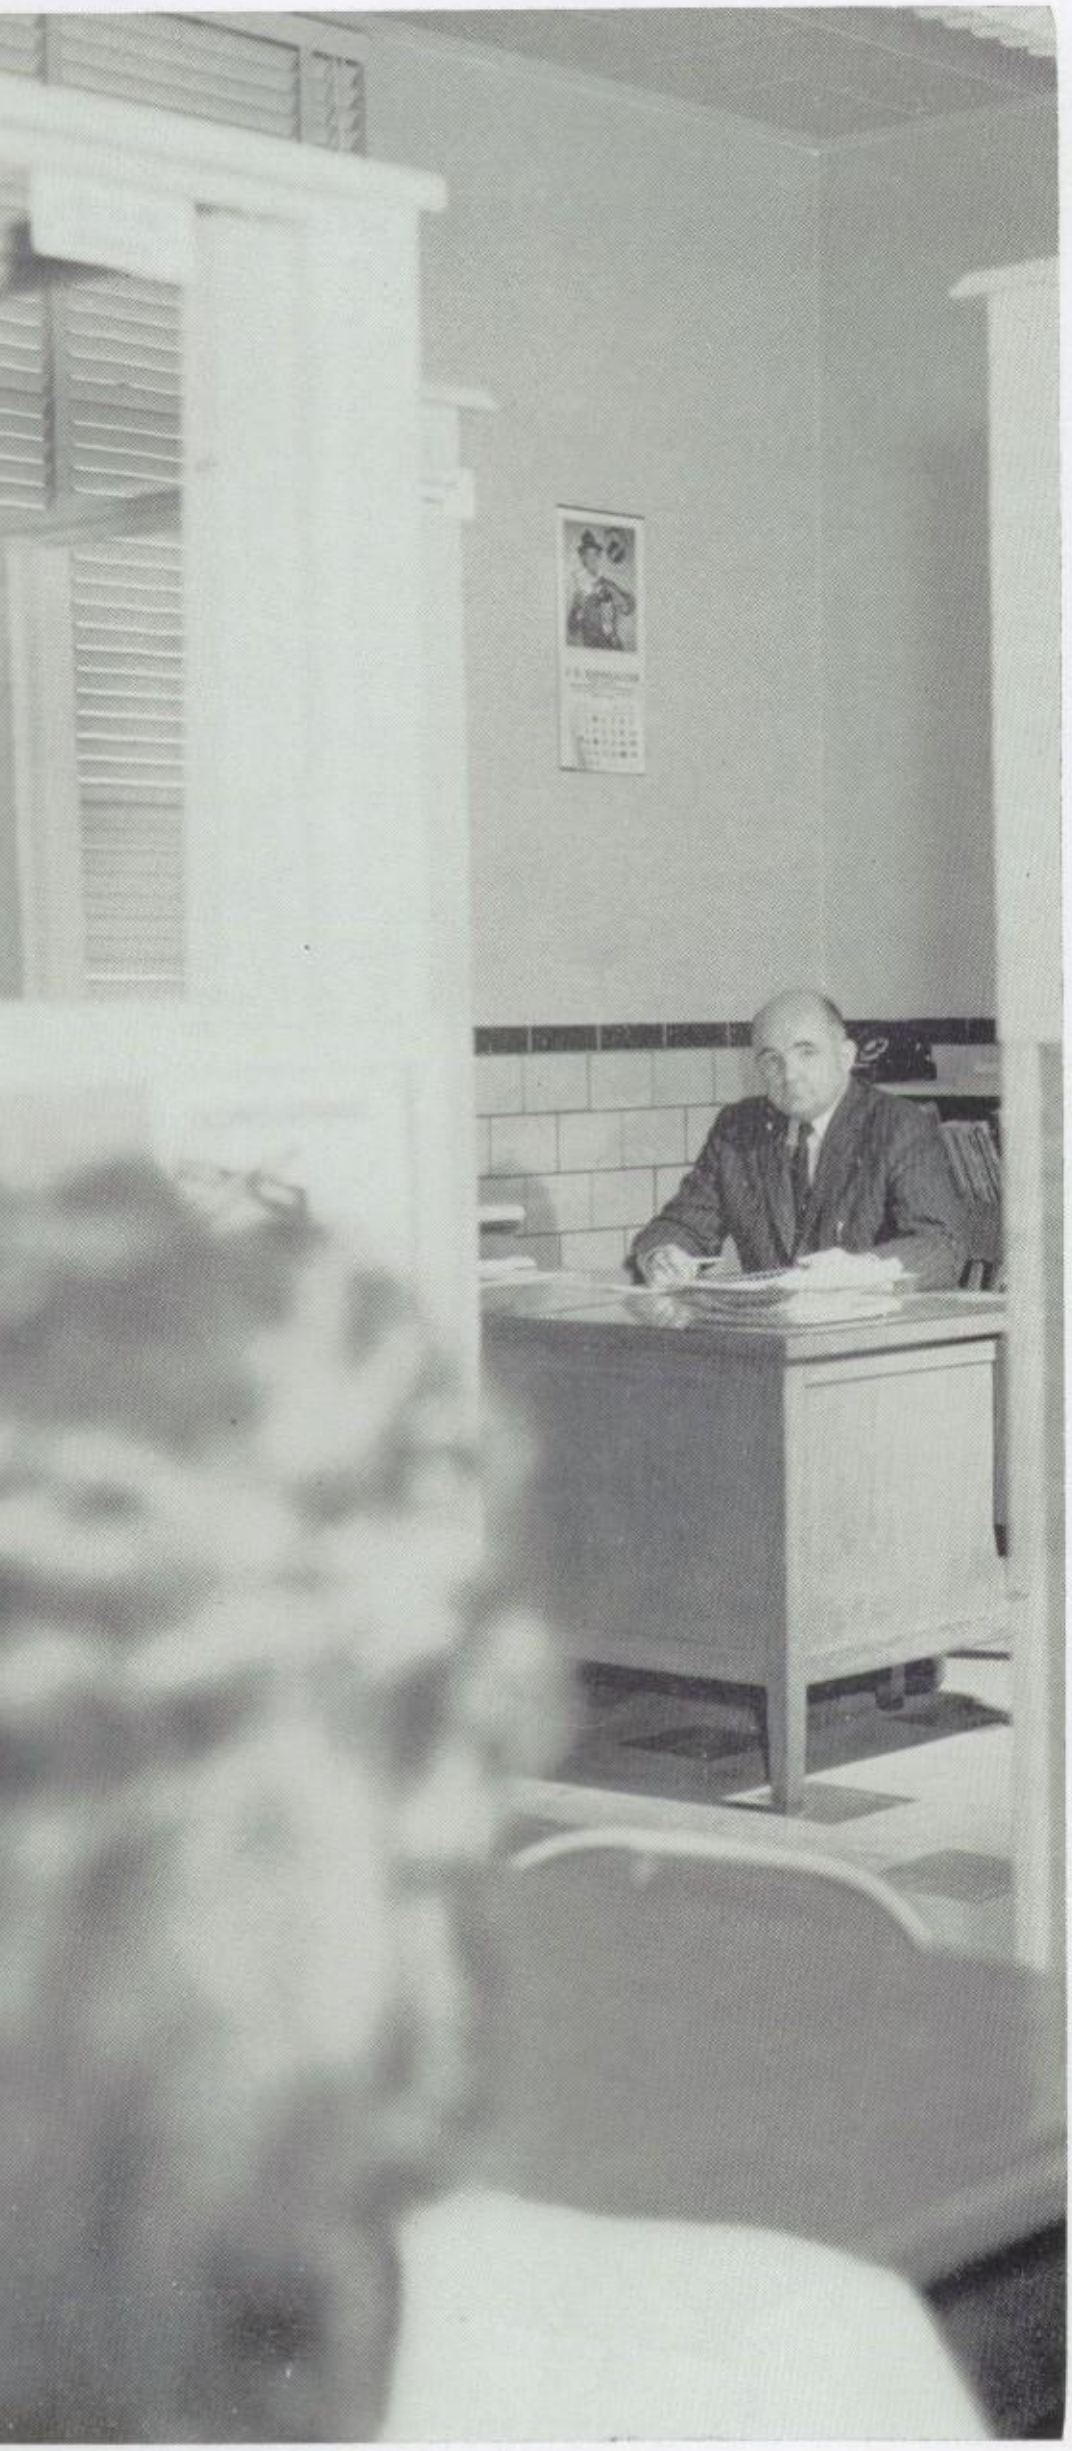


DEDICATION

The students of typing II, bookkeeping II, and clerical office practice, feel they are very fortunate in having this man as their teacher. His friendly and helpful manner help to make him very popular here at Canton South.

During the four years he served as advisor of our yearbook, many successful editions were published. This year he became advisor of the first business staff to serve both the newspaper and the annual.

With pride we, the annual staff, dedicate to you, MR. KENNETH MEESE, the 22nd issue of the "Moderian." May you have every success in the future.



The doors of the Guidance Rooms are always open, as this Freshman girl learns in seeking the friendly counseling of Mr. Rohrbaugh.

FOREWORD

We, the Canton South Annual Staff, present the 1959 edition of the "Moderian." This is the twenty-second edition of school life at Canton South. The first was printed in 1938. We truly hope you will be pleased with the contents of this year's book. Our "Moderian" attempts to present the high-lights of the school year, from the guidance of the incoming Freshman to the unforgettable last days of the Seniors.

We have tried to give credit and praise where it is most deserved, and to give all departments and clubs of Canton South due recognition.

For years to come, we hope this book will help you to recall the pleasant and wonderful memories of your happy days at C. S. H. S.

THE HOMECOMING QUEEN

The Homecoming Queen and her escort opened dancing to the rhythmic tunes of the Music Masters.

HOMECOMING 1958

The crowning of this year's queen. Marolyn Reichard, highlighted the 1958-59 homecoming game. The queen was escorted by Gary Fenstemaker. Maid of Honor, Judy Gauze, was escorted by Joe Kolacsky. The Queen's court and their escorts were: Senior Attendant Margie Tressel, and George Barnes; Junior Attendant Nancy Stanley, and Rennard Patterson; Sophomore Attendant Sharon Hostetler, and Wayne Brechbuhler; Freshman Attendant Charlene Ehret, and Jim France.

Dancing under a ceiling of balloons was sponsored by the Junior Class in honor of the Queen, following the game. Marolyn was crowned by Judy Haney, last year's queen. Music was provided by the Music Masters.

HOMECOMING

The enthralled Queen and her Maid of Honor, Judy Gauze, pass in review at pre-game ceremonies.

Following the coronation, the Queen and her court receive the ovation of a large Homecoming crowd.

JUNIOR-SENIOR PROM

The 1957-58 Junior Senior Prom was held at Moonlight Ballroom, Meyer's Lake Park. The mood for "Magic Moments" was ably created by the music of Jack Halkides and his orchestra. Highlight of the prom was the crowning of Mehl Young and Marolyn Reichard as King and Queen. The Junior class chose "Jet Pilot" to climax the evening at the Dueber Theater.

1957 King Terry Wenger and Queen Pat Phillips crowned this year's reigning pair, Mehl Young and Marolyn Reichard. The court was composed of Margie Tressel, Pat Hayhurst, Johanna Montgomery, and Lillian Andrews. Escorts were Phil Eberhart, Joe Briese, Howard Middleton, and Gary Clauss.

One of many enjoyable moments at the 1958 Junior-Senior Prom.

Noontime leisure in warm weather gives a lilting, frollicking spirit to some as they stroll about the court, and to others, a comfortable respite from the humdrum or exertion of a busy day.

An unexpected January flood made our football field appear more appropriate for water sports.

Potential (Freshman) scientists burst into the hall during a change of classes.

Mixed feelings accompany the study of a dissected animal in the biology laboratory.

Mr. Lotze, from a precarious position in the balcony, puts all his energy into directing the choir at the annual Christmas Concert

A drizzling rain on the day of the combined South-Louisville practice didn't seem to bother old Mr. Dry Bones.

The Chorus, Concert Band, and Junior Band combine in practice for the annual Spring Concert.

Teachers rush the lunch line, too. Reason: lunch time chatter and extra duties, they say.

ADMINISTRATION

PRINCIPAL

High school students are very fortunate in the educational opportunities which are available to them today. You should take every advantage of this opportunity which comes but once in a lifetime. Your education should be all important to you in these times of modern advances in every field of endeavor. It is essential to have a scientific and mathematical knowledge to understand the modern inventions and technical changes which are taking place almost daily. This is also important in order to understand what we read in the newspapers or magazines, understand the programs we hear on the radio or see on television or to even carry on an intelligent conversation. Education is for the masses in this wonderful country of ours rather than for the few as it is in many of the countries of the world. Yes, education is necessary and wonderful. It is one thing which can never be taken away from you. Take advantage of the opportunity which is within your reach and make the best of what you have.

CLASS HISTORY

It seems like only yesterday when we entered high school as a group of confused Freshmen. To start our treasury on its long climb, we collected tax stamps and sponsored several sock hops.

Our Sophomore year we busied ourselves with selling sweat shirts and sponsoring skating parties and sock hops.

The first big event of our Junior year was selecting and ordering our class rings. To increase our treasury for the Prom, we sold class pins and sponsored the homecoming dance and sock hops. We soon found ourselves wrapped up in the excitement of our fun filled play entitled "Accidental Hero" directed by Mr. Casper. By now everyone was looking forward to the Junior-Senior Prom and Banquet at which the theme was "Magic Moments."

Finally we returned to school as big time Seniors. To start our deflated treasury booming again, we sold magazines and sponsored sock hops. We kept ourselves busy with the trading of our senior pictures and with our zany play entitled "One Mad Night." We began making plans for the Prom which the Juniors were to give us. All too soon we realized that our fun filled high school days were almost over.

Now that we are ready to graduate, we look back with fondness on all the wonderful memories we have shared together. We wish to thank everyone who has helped us on our journey through high school, and to express a special thank you to our sponsors: Mr. Stauffer, Mr. Rieger, and Mrs. Heisler.

A favorite place at lunch time for the "cat crowd" was the gym lobby. While girls (left) hopped to the blare of noisy tunes, a stag line (right) was lost in a maze of thoughts.

The gangster of the play, Gary Clauss, not only scared the cast but the audience as well.

One of the many hilarious scenes in this year's Senior Class Play.

The villain captures Don Cutter's Chinese cook.

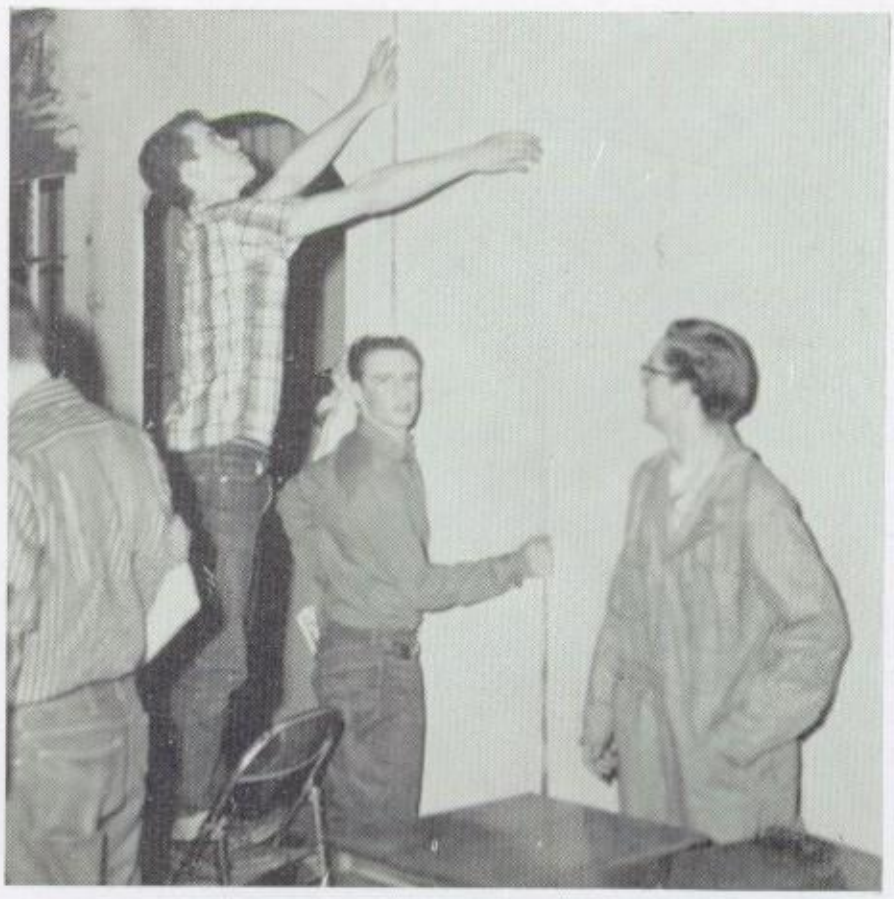
SENIOR CLASS PLAY . . .

This year the Senior Class produced "One Mad Night," by James Reach. A comedy play about mental patients in a private home combined humor and thrills for a great success. The array of characters along with the dramatic roles gave a most appealing variety of entertainment.

Falling scenery was just one of the coach's worries.

JUNIOR CLASS PLAY . . .

A play within a play, called "Accidental Hero," made up the Junior Class Play last year. A play cast which couldn't learn their lines and a boy with a chicken house turned failure into success. Parts which took place in the audience added to the novelty of the play.



The stage crew gets dramatic assistance in readying scenery for the big night of the Junior Class Play.

A preview of the Junior Class Play was given for the school at morning assembly.

The end of the summer finds it busy preparing drills for the Fair and Football games. The band also makes anual appearances at the two main music concerts of the year — the Christmas Concert and the Spring Concert.

Uhrichsville Wins Opening Grid Game

Although they knocked on the touchdown door four times, South's Wildcats scored only once while their opponents scored four times. The final tally was 26-8.

Injury Riddled Wildcats Lose At Wooster

The Wildcats held the Generals to four touchdowns in spite of inexperience and a weight disadvantage. Our South team was further hampered by many injured boys who didn't play in the 26-0 defeat.

Wildcats Bow To Eagles

The Glenwood Eagles played a fine game both offensively and defensively while the Wildcats could muster only one touchdown. The final score was 20-6.

Sandy Valley Defeats Wildcats

Although the score was tied 6-6, and the Wildcats were on the two yard line at halftime, South could not get rolling again in the second half. Sandy Valley scored three more touchdowns to win 24-6.

Wildcats Bow 35-6 To Lehman

The Wildcats failed to hit paydirt until the fourth quarter after Lehman Polar Bears had scored five touchdowns.

Wildcats Suffer Homecoming Loss

Running up against one of the state-rated teams, South held the Orrville Riders to a mere eight points in the first half. The Wildcats scored in the second half but the play was called back because of a penalty. The final score was 22-0.

Louisville Downs Fighting Wildcats

In a free-scoring high-penalty game, Canton South recorded its highest score total for the season —20 points. While the offense was working, however, the defense fell down and allowed the Louisville Leopards to score 44 points.

Dover Defeats South In Exciting Contest

Canton South again took the lead 12-8 in the first half. However, in the final quarter Dover put together a long march to close the scoring, 20-12.

South Loses To Powerful Canton Central

Playing one of the biggest teams on the schedule, our Wildcats bowed to Central Catholic's Crusaders 32-0. For the last game of the season, the Adult Booster Club sponsored Cy Layne Night, and the team presented a gift to the well-liked coach.

Congratulations - another born critic!

BORN in America—so he has freedom of speech. He's expressing it already—and he can go right on criticizing, discussing, debating for the rest of his life here. Nobody's ever going to tell *him* to shut up!

Imagine the difference, had he been born in a Communist country. He'd *never* be able to criticize *anything*. He couldn't sound off about taxes, government, job, prices, criticize public officials. Why not? Well, if he did he'd be shot.

We hope he becomes a good, honest, sincere critic. We hope he'll always stand right up and defend his rights. We hope he'll never be afraid to turn the spotlight on wrongs—so someone will take steps to right them. Because that's the American way, and it's an American right guaranteed by the Constitution. It's a *freedom,* and we're all *born* to it.

One thing we know: the rest of us aren't going to let anyone come in and rob him of this right, until he grows up and can defend it for himself. We aren't going to trade our freedoms—any of them—for Iron Curtain conditions.

Will *you* stand up and defend your freedom of speech? If you do, nobody can ever take it away from you.
